Pendency of the motion does not automatically stay the effectiveness of the magistrate's order.

(F) In accordance with Rule 53 of the Ohio Rules of Civil Procedure and Rule 19 of the Ohio Rules of Criminal Procedure, a magistrate's decision may be general, unless findings of fact or conclusions of law are timely requested or otherwise required by law. - (H) Disqualification of a magistrate for bias or other cause may be sought from the court by the filing of a motion.

(A) Only attorneys regularly admitted to the practice of law in the State of Ohio, and registered and in good standing with the Supreme Court of Ohio, or those certified to specially practice by the Supreme Court of the State of Ohio or those authorized by the court, are permitted to practice in the Toledo Municipal Court.

(B) This rule does not prohibit an individual from acting as his or her own counsel in any proceeding in this court. Corporations, partnerships, and an agent of the real party in interest shall, however, be represented by counsel.

(C) In civil cases, the attorney who is to try the case shall be designated as trial attorney on all pleadings. In criminal cases, except felonies, the attorney who is to try the case, upon being retained or appointed, shall notify the court that he or she is the trial attorney by filing a written statement with the Clerk of Court.

(D) An attorney who has entered an appearance as counsel of record must appear at all proceedings in the case unless an oral or written motion is granted by the judge assigned to the case, or by the duty judge in an unassigned case.

(E) Attorneys are directed to the Toledo Legal News which is the official daily journal of the Toledo Municipal Court.

(F) Appointed Counsel. In criminal or traffic cases where the potential for a jail sentence exists, indigent defendants may be appointed a public defender as counsel. However, if there is a conflict with the Public Defender's Office, the court may appoint alternate counsel.

(1) Any attorney eligible as outlined below may apply to the Toledo Municipal Court to be included in the appointment rotation for non-OVI cases. Eligible attorneys must have:

(a) Within two years prior to the appointment, completed a minimum of six hours of continuing legal education, certified by the Ohio Supreme Court Commission on Continuing Legal Education, in criminal practice and procedures; or

(b) Successfully completed a clinical education program focusing on criminal defense; or

(c) At least one year of experience as an attorney.

(2) Any attorney eligible as outlined below may apply to the Toledo Municipal Court to be included in the appointment rotation for OVI cases. Eligible attorneys must have within two (2) years prior to the appointment, completed a minimum of six (6) hours of continuing legal education, certified by the Ohio Supreme Court Commission on Continuing Legal Education, focused on OVI practice and procedure.

(3) Attorneys seeking inclusion on the appointed counsel list shall maintain professional liability (malpractice) insurance in the amount equal to the minimum coverage required by the Ohio Rules of Professional Conduct.

(4) Attorneys who desire to be included shall make application in writing to the Toledo Municipal Court, Court Administrator's Office. Applications to be included on the court's list of appointed counsel may be found on the court's website. In order to be included and maintained on the appointed counsel list, attorneys must complete and turn in all required forms. In accordance with Ohio Administrative Code 120-1-10, the court shall maintain a process for application, inclusion, review, advancement in qualifications, and removal from the appointed counsel list. In addition, the court shall also maintain a record of all appointments of counsel, counsel qualifications, and counsel declination of appointments.

(5) In making an appointment of counsel the court shall take into account:

- (a) The anticipated complexity of the subject case;
- (b) Any educational, mental health, language, or other challenges facing the party for whom the appointment will be made;
- (c) The relevant experience of those persons available to accept appointment, including proficiency in a foreign language, familiarity with mental health issues, and scientific or other evidence issues;
- (d) The avoidance of conflicts of interest or other situations that may potentially delay timely completion of the case.
- (e) Intangible factors, including the court's view of a potential appointee's commitment to providing timely, quality, cost-effective representation to each prospective client.

(6) Upon appointment, an attorney shall perform duties as warranted by the facts of the case. The appointed attorney must personally represent the client for whom appointed counsel. The appointed attorney must be present at all hearings. Repeated failures to appear for hearings or personally represent the client will result in removal from the list of appointed counsel. If a criminal charge, serious traffic charge, or a formal disciplinary complaint is filed against an attorney on the appointed counsel list, the attorney may be removed temporarily from the appointment rotation. Attorneys have a duty to self-report to the Court Services Department in such instances.

(7) At the conclusion of a case, appointed counsel shall submit within thirty (30) days the forms prescribed in the Office of the Ohio Public Defender's Standards and Guidelines for Appointed Counsel Reimbursements. In order to process forms for payment, they must be complete. Incomplete or incorrect forms will be returned for adjustment. Forms shall be submitted to the Court Services Department for processing. In the event the individual for whom counsel is appointed is unavailable for longer than thirty (30) days, an interim application for fees may be made. Counsel will be paid at the rate of \$75 per hour. Total bills in excess of the maximum prescribed fees prescribed by the Board of County Commissioners must include a motion for extraordinary fees. Such motions shall outline the basis for eligibility for extraordinary fees.

The newsprint media must decide which of them shall cover the proceedings for photographic coverage, and only one photographer may then be allowed in the courtroom at any one time. If a dispute arises among or between the media representatives during any proceeding, the judge may exclude all contesting representatives from the remaining case proceedings.

(G) Upon approval of a Media Application, the judge shall specify the place or places in the courtroom where reporters, operators, and equipment are to be positioned. They are responsible for providing their own equipment, including sufficient equipment leads to ensure they are able to be stationed in the designated location. Only existing lighting within the courtroom may be used.

(H) There shall be no audio pickup or broadcast of conferences conducted in the courtroom between attorneys and clients or co-counsel or of conferences conducted at the bench between counsel and judges.

(I) The judge shall inform victims and witnesses of their right to object to being filmed, videotaped, recorded, or photographed.

(L) Except when expressly permitted by a Toledo Municipal Court judge under these Rules, electronic devices shall not be used by anyone, including Authorized Media Representatives, within any area of the court building, including designated areas, to:

MARRIAGE FEE\$75.00

(B) The City of Toledo, the Village of Ottawa Hills, Washington Township, Lucas County, and the State of Ohio are not required to pay civil court costs at the time of filing. Unless costs are waived by the court, upon judgment, these governmental entities shall collect court costs from the defendant(s), and said costs will be forwarded to the clerk upon collection. Unless otherwise ordered by the court, no Satisfaction of Judgment will be accepted for filing unless costs have been paid.

(C) If not otherwise specified above, a party requesting personal service shall pay a cost of \$20.50 per defendant. In order to proceed under Toledo Municipal Court Local Rule 31, the plaintiff must ensure a judgment debtor has been personally served before requesting the judgment debtor be held in contempt of court and a bench warrant be issued for the judgment debtor's arrest.

(D) A \$200.00 deposit is required at the time of filing a counterclaim and/or a third-party claim in which the prayer exceeds \$15,000.00. The Clerk of Common Pleas Court, Lucas County, Ohio, will accept no transfers without payment in advance of the costs unless such transfers are accompanied by a poverty affidavit, plus \$25.00 for a transcript.

(E) A \$300.00 security fee deposit is required at the time of filing an execution which involves the actual seizure of any motor vehicle by the civil bailiff's department to secure payment of vehicle towing and storage costs. Charges made against this deposit will be limited to the actual costs of towing and storage and may be recovered by the plaintiff as court costs.

(F) No costs shall be assessed or collected for the filing of a motion for a default judgment in accordance with Rule 55(A) of the Ohio Rules of Civil Procedure. An approved poverty affidavit will be accepted in lieu of civil costs in civil cases.

Rule 12
FINES AND COSTS

(A) The Clerk of Court accepts payment of fines and costs. Court costs vary by case type and include:

- (1) Costs of \$101 in criminal cases
- (2) Costs of \$110 for a moving traffic violation
- (3) Costs of \$73 for a non-moving traffic violation
- (4) Costs of \$63 for a parking violation

Additional costs, such as public defender applications fees and jury costs, may also be assessed. A \$15.00 fee shall be assessed for each bench warrant issued. The clerk shall add any other costs required by law. To see a comprehensive list of costs, click [here](#).

(B) Failure to pay a fine and costs when due may subject a defendant to sanctions of the court, including findings of contempt, a vehicle registration block, and/or referral to the authorized collection bureau with additional fees. Installment payments will be accepted by the clerk without a judge's order before the date the payment is due.

(C) The Clerk of Court shall issue a stay on all fines, fees, and costs to any defendant who makes at least a \$50.00 payment toward pending fines, fees, and costs. Such stay shall be for sixty (60) days from the date of the payment. In the event that the next payment date falls on a holiday or weekend, the due date shall be continued to the next business day.

(D) The Clerk of Court shall remove any vehicle registration block upon the payment of the lesser of \$500.00 or 25% of the total fines, fees, and costs owed on all cases. The Clerk of Court shall then issue a sixty (60) day stay on the remaining balance, subject to the payment provisions of subsection (C).

(E) A defendant may perform community service to work off outstanding fines, fees, and costs. A defendant shall be credited \$15.00 for every hour worked. A request to perform community service must be made at the time of sentencing, with the duties judge during regular business hours, or by motion. This provision does not apply to statutorily mandated fines.

Rule 14

FILING AND SERVICE OF COURT PAPERS

(A) All papers filed with the Clerk of Court shall be originals or legible copies, handwritten in ink or typewritten on 8½ x 11-inch paper. Filings consisting of more than one sheet of paper shall be securely fastened together. The use of covers or jackets is not permitted.

With the exception of facsimile (fax) transmission filing pursuant to Section (C) of this rule, no civil filing is to be accepted for filing with the office of the clerk after the close of the business day of the civil branch, which is deemed to be 4:30 p.m., Monday through Friday, legal holidays excepted. No civil filing is deemed to be filed pursuant to the Ohio Rules of Civil Procedure unless the pleading is date and time-stamped by the Office of the Clerk, Civil Division.

(B) Every document filed by a party represented by counsel shall designate in the caption a description of the filing itself and the name, address, direct telephone number (including extension), direct email, and the Supreme Court of Ohio attorney registration number(s) of the attorney(s) responsible for the case. The correct mailing addresses, including zip codes, for all parties shall be listed in every pleading (as defined by Rule 7(A), Ohio Rules of Civil Procedure). Pleadings that do not conform to this rule may be ordered stricken from the file by the court. All documents, other than original complaints, must include a Toledo Municipal Court case number or may be rejected by the clerk.

(1) Pursuant to Rule 45(D)(1) of the Rules of Superintendence for the Courts of Ohio, when submitting a case document to a court or filing a case document with a clerk of court, a party to a judicial action or proceeding shall omit personal identifiers from the document. Personal identifiers are defined by Rule 44(H) of the Rules of Superintendence to mean social security numbers, except for the last four digits, financial account numbers, including but not limited to debit card, charge card, and credit card numbers, employer and employee identification numbers.

(2) When personal identifiers are omitted from a case document submitted to a court or filed with a clerk of court pursuant to Rule 44(D)(1) of the Rules of Superintendence, the party shall submit or file that information on a separate form. The court or clerk may provide a standard form for parties to use. Redacted or omitted personal identifiers shall be provided to the court or clerk upon request or a party to the judicial action or proceeding upon motion.

(3) The responsibility for omitting personal identifiers from a case document submitted to a court or filed with a clerk of court pursuant to Rule 44(D)(1) of the Rules of Superintendence shall rest solely with the party. The court or clerk is not required to review the case document to confirm that the party has omitted personal identifiers, and shall not refuse to accept or file the document on that basis.

(4) Every document filed by a pro se litigant shall conform to the requirements listed above, with the exception of the inclusion of the attorney registration number, unless such pro se litigant is, in fact, an attorney admitted to the Bar of the State of Ohio.

(5) All parties shall, subsequent to entering an appearance, file with the court any change in contact information or email address, submitted pursuant to Rule 14(B)(1).

(C) Filing fees may be paid by cash, check, money order, or credit card. Checks must conform to the American Bank Association's routing transit number format and use MICR ink. Checks not in this format may be rejected by the Toledo Municipal Court.

(D) A "facsimile transmission" (abbreviated "fax") means the transmission of a source document by a facsimile machine that encodes a document into optical or electronic

signals, transmits and reconstructs the signals to print a duplicate of the source document at the receiving end. Pursuant to Rule 5(E) of the Ohio Rules of Civil Procedure, the court will allow the filing of civil cases by fax transmission, through the Clerk of Court's office, of complaints, motions, pleadings, letters, documents and all other matters, not longer than ten (10) pages (in addition to the cover sheet) in length which may be filed in person or by mail with the following provisions:

(1) The clerk shall maintain a dedicated phone line of (419) 245-1801 to accept fax transmitted filings for traffic and criminal cases and (419) 936-7012 for civil cases. The fax machine will be available to receive facsimile transmission of documents on the basis of twenty-four (24) hours per day seven (7) days per week including holidays.

(2) An attorney must provide the name of the court, title of the case, case number (if known), judge's name (if assigned), title of document being filed, date of transmission, transmitting fax number, number of pages (including cover sheet), and the identification on the cover page of transmission in the format prescribed in Rule 14(B) above. Transmissions without such information will not be accepted. A transmitted document must be no longer than ten (10) pages and must pertain to only one (1) case. Service copies shall not be transmitted by fax. Standard fees for duplication by the Clerk of Court's office for the creation of service copies shall apply. There is no charge for submitting filings via fax.

(3) Subject to the provisions of these rules, all documents sent by fax and received by the clerk shall be considered filed with the Clerk of Court as of the date and time the clerk time-stamps the document received, as opposed to the date and time of the date and time of the fax transmission.

(4) All filings made by fax transmission are considered to be the original document in the file and the source documents are not required to be filed. A party who wishes to file a signed source document by facsimile transmission shall either fax a copy of the signed source document or fax a copy of the document without the signature but with the notation "/s/" followed by the name of the signing person where the signature appears in the signed source document. A party who files a signed document by fax represents that the physically signed source document is in his/her possession or control. The sending party must maintain the source document, original signatures, and source copy of the cover page until all opportunities for post-judgment relief are exhausted. In addition, the filing party must make any original source documentation available for inspection by the court upon request. Failure to do so will result in the filing becoming considered null and void. No document filed by facsimile that requires a filing fee shall be accepted by the clerk for filing until court costs and fees have been paid. Documents tendered to the clerk without payment of court costs and fees, or with incomplete information on the charge authorization or request, or which do not conform to applicable rules will not be filed.

(5) Electronically transmitted filings must contain all information in an original filing in addition to the transmitting phone number of the responsible attorney and the date and time of the electronic transmission.

(6) It is the responsibility of the sending party to confirm that the fax transmission was received. Any untransmittable exhibits must be replaced by an insert page describing the exhibit and why it is missing. Unless the court otherwise orders, the missing exhibit shall be filed with the Clerk's Office not later than five (5) days of the filing of the fax transmission. Failure to comply may result in the court striking the document or exhibit. Any exhibit filed in this manner shall be attached to a cover sheet containing the caption of the case

which sets forth the name of the court, title of the case, the case number, name of the judge, and the title of the exhibit being filed and shall be signed and served in conformance with the rules governing the signing and service in conformance with the rules governing the signing and service of pleadings in this court.

(E) In a civil case, plaintiff, or plaintiff's attorney, shall file with the complaint as many copies as there are defendants to be served with a summons. A party may extend for twenty-eight (28) days the time required to file a response to a complaint, a counterclaim, cross-claim, or a third-party complaint if written application is made to the Clerk of Court beforehand. Additional extensions of time may be granted by the court pursuant to Rule 6(B) of the Ohio Rules of Civil Procedure (or by written stipulation of the parties).

(F) Service shall be made in accordance with the applicable Ohio Rules of Procedure, whether civil or criminal. In civil cases, the bailiff will be the usual process server when court orders must be personally served. The Clerk of Court is directed to deem green cards exclusively marked COVID, C-19, or COVID-19, without the recipient's signature or initials, in the signature box as failed service and process accordingly.

(G) In any case, all motions, briefs, and memoranda in support shall be filed. Any response to a motion, other than a motion for summary judgment, shall be served within seventeen (17) days from the date the motion was filed unless otherwise ordered by the court. Responses to motions for summary judgment may be served within thirty-one (31) days after service of the motion. Optional reply briefs must be filed within ten (10) days of the service of the response. Motions will normally be determined by the court without a hearing. The court may order a hearing on a motion at any time. The Court Services Commissioner shall notify all parties, in writing, of any ruling by the court except final and appealable orders for which the clerk shall serve all parties pursuant to Ohio Revised Code 2505.02.

(H) In all civil cases, when any party requests a continuance of a court event, such request must be filed in writing with the Clerk of Court under these rules at least seven (7) calendar days before such court event and contain a certification by the moving party that either the other party or parties consent(s) to the request or has/have been notified of the request via telephone, facsimile, and e-mail if such party(-ies) provided such contact information pursuant to Rule 14(B). It shall be the duty of the moving party to so notify the other party(-ies) of the court's decision immediately upon receipt of the same in the same manner described above. Failure to do so may result in sanctions.

Rule 15

CASE ASSIGNMENT, CONSOLIDATION, AND TRANSFER

(A) In all cases, the court services department will assign a case to a specific judge using a random selection method conforming with Rule 36.011(B)(1) of the Rules of Superintendence for the Courts of Ohio, or as otherwise provided in (C) below, except all housing cases, both civil and criminal, will be assigned to the housing judge.

(B) In civil cases, assignment will be made only after an answer is filed or when a motion, other than one for default judgment, is filed.

(C) In criminal and traffic cases, when a plea of not guilty is entered, the court services department will randomly assign the case to a specific judge except:

(1) If the defendant is on probation supervision, the new case shall be assigned to the "Link Judge." A Link Judge is established by an open probation file. On July 14, 2008, all probation files for each defendant will be consolidated to the judge who most recently placed the defendant on probation. On and after July 15, 2008, the Link Judge will not change until all probation supervision matters for a defendant are terminated.

(2) If the defendant is not on probation supervision and any other assigned case is pending involving the same defendant, the court services department shall assign the new case to the judge with the oldest pending case as determined by the file stamp date.

(3) If a dismissed case is refiled, the case shall be reassigned to the judge originally assigned to hear it unless that judge is otherwise precluded from hearing the case. If the case was a companion case, a joined case, or a consolidated case, it will be assigned to the judge who was handling the dismissed case.

(4) If a defendant has multiple charges with different case numbers, the cases will be assigned to a single judge.

(5) These cases will be set for pretrial or trial as provided for under Local Rules 19, 23, and 26.

(D) The assigned judge is responsible for all further matters in connection with the case, with the exception of motions to seal. If a defendant files a motion to seal involving more than one case, the motions to seal will be consolidated and handled by the Judge with the newest case as determined by the file stamp date on the cases that are the subject of the motion.

(E) In criminal cases when more than one defendant is charged with a crime in which each is alleged to have acted in concert with another, a separate judge assignment will be made for each defendant unless the administrative judge approves, in writing, a written motion by the prosecutor or defense attorney to join the cases.

(F) In the interest of judicial economy and justice, such as in cross-filings, the court may designate each case as companion cases. If a case is identified as companion cases, the administrative judge may approve the companion cases to be assigned to the judge handling the case with the lowest case number.

(G) Any written motion for consolidation or transfer must include the reason for the request. Consolidations and transfers not approved in writing by the administrative judge are invalid and officially remain on the docket of the assigned judge. If a motion for consolidation or transfer is denied by the administrative judge, the cases shall remain officially assigned to the judge or judges to whom they were originally assigned.

(H) Regarding consolidation, the Clerk's Office shall journalize a filed motion on the captioned case and any consolidated cases. Motions journalized on consolidated cases may be considered for informational purposes.

(I) Except for those cases assigned to the housing judge, in the unexpected absence of an assigned judge, the administrative judge may place that judge's case for trial or hearing on the docket of a different judge. The case is not transferred but remains assigned to the original judge who continues to be responsible for all further matters pertaining to the case.

(J) Should a judge deem it necessary to disqualify himself or herself from hearing an individually assigned case, said judge shall cause a journal entry to be made setting forth the disqualification and the reasons therefore. The case shall thereafter be referred to the administrative judge who shall, by judgment entry, authorize the court services department to place the case back into the random assignment system for a new judge assignment.

Rule 16

APPEARANCE OF DEFENDANTS IN CRIMINAL CASES

(A) Defendants in criminal cases shall be required to appear before the court by notice to appear, summons, arrest, or continuance from a former court date.

(B) When the defendant resides in the Toledo area (Lucas, Ottawa, Wood, and Fulton Counties, Ohio, and Bedford Township and Erie Township, Monroe County, Michigan), the citing officer shall issue a notice to appear as the standard means for requiring appearance in all traffic violations not involving intoxication or aggravated breaches of the peace by the defendant.

(C) A summons on forms approved by the court and available to police departments of the City of Toledo, Village of Ottawa Hills, Washington Township, the Lucas County Sheriff's Department, and State of Ohio Specialized Enforcement Forces shall be the standard means for requiring defendants to appear in criminal misdemeanor violations where it does not appear likely to the citing officer or prosecutor that a further aggravated breach of peace will occur.

(D) The prosecutor requesting a summons shall request the Court Services Department to set a court date no more than ten (10) days from the date the complaint is filed to persons summoned to appear for arraignment in misdemeanor and felony cases as defendants.

Rule 17

APPEARANCE FOR TRAFFIC OR MINOR MISDEMEANORS

(A) Those receiving traffic or minor misdemeanor citations in which a plea of guilty and payment of a set fine and costs may be mailed or paid to the clerk of court's office shall be given a court arraignment date by the citing officer no more than 10 calendar days from the date of citation unless the 10th day falls on a Saturday, Sunday, or court holiday. The court appearance for minor misdemeanors shall be scheduled for 1:00 p.m. in courtroom #4.

(B) Pursuant to Rule 4.1 of the Ohio Rules of Criminal Procedure, a defendant charged with a minor misdemeanor may, in lieu of appearing in court, sign a plea of guilty and pay out the fine in accordance with the schedule established by the court pursuant to Rule 4.1(E) and posted in the Clerk of Court's office.

(C) Those charged with operating a motor vehicle while under the influence of alcohol or any drug of abuse shall be given a court arraignment date no more than five calendar days from the date of the citation. Those charged as first offenders shall appear in courtroom #4 at 1:00 p.m. Repeat offenders shall appear in courtroom #4 at 9:00 a.m.

(D) All other traffic, including:

- (1) Leaving the scene of an accident;
- (2) Driving while under suspension or revocation of driver's or commercial driver's license;
- (3) Driving without being licensed to drive, except where the driver's or commercial driver's license had been expired for six months or less;
- (4) A third moving traffic offense within a 12-month period;
- (5) Failure to stop and remain standing upon meeting or overtaking a school bus stopped on the highway for the purpose of receiving or discharging a school child;
- (6) Willfully eluding or fleeing a police officer;
- (7) Drag racing;
- (8) Distracted Driving

(E) Minor misdemeanor offenders shall be given a court arraignment date by the citing officer of at least 10 but not more than 14 calendar days from the date of citation at the 1:00 p.m. misdemeanor/traffic arraignment session.

(F) Where an on-view stop by a citing officer would result in the issuance of a citation or complaint, of such a degree that a summons for a court appearance could be issued, and a record check of that person reveals active bench warrants on unrelated minor misdemeanors, the citing officer may issue a summons for those unrelated minor misdemeanors, in lieu of arrest.

The citing officer shall verify defendant's correct local address, phone number, and place of employment on the citation.

The citing officer shall inform the defendant that proof of compliance with the Financial Responsibility Act, Ohio Revised Code Chapter 4509, will be required at arraignment and that a Bureau of Motor Vehicle report must be filed in the event of damage.

Rule 18
TRAFFIC COURT ARRAIGNMENT

(A) At all traffic arraignments, defendants must be prepared to show proof of compliance with the Financial Responsibility Act, Ohio Revised Code Chapter 4509.

(B) Minor misdemeanor traffic matters set for arraignment at the 1:00 p.m. docket, Monday through Friday, shall be conducted by the magistrate. In all other traffic cases, except repeat DWI offenses, arraignment shall be held before the magistrate at 1:00 p.m. in courtroom #4, Monday through Friday. The magistrate may take pleas of guilty, no contest, or not guilty and, in minor misdemeanor cases, set fines as well as stays of execution. In other traffic cases, the magistrate may take pleas of guilty, no contest, and not guilty and recommend sentences as permitted in the order of reference. No defendant shall be required to have arraignment before a magistrate and may request the case reassigned to the duty judge for the same day.

(C) No magistrate shall make a finding of “not guilty” after a no contest plea is entered by the defendant or dismiss a case upon motion of the defendant without first allowing the prosecutor an opportunity to be heard. Pleas of not guilty shall be sent to the Court Services Department for assignment to a trial judge.

(D) In traffic cases where not guilty pleas have been entered, the cases shall be assigned to a judge by lot and heard on the regular docket. Multiple charges against a defendant with different case numbers, as well as multiple charges against a defendant with the same case number, will be randomly assigned to a single judge. However, if any other case is pending trial involving the same defendant, the Court Services Department may assign all cases to the judge with the lowest numbered pending case. It shall be the responsibility of the attorney of record or the defendant acting pro se to present eligible cases for assignment. All cases, previously assigned and unassigned, must be presented at the same time for assignment to the lowest case number. These cases will be set for pretrial or trial as provided for under Local Rules 19, 23, and 26.

(E) All decisions and recommended penalties shall be adopted and affirmed by the presiding judge where no objections are filed. Objections to the magistrate’s orders shall be filed, in writing, within seven (7) days after issuance of the order. Objections shall be referred to the duty judge for review.

(D) All other criminal and traffic misdemeanor arraignments will be heard by a magistrate in courtroom #4 beginning at 1:00 p.m., Monday through Friday.

(E) After giving all defendants an explanation of their rights, including the right to have counsel appointed if they are eligible, the judge or magistrate hearing misdemeanor arraignments may receive pleas of guilty, no contest, or not guilty. Magistrates accepting pleas may recommend sentences as provided in the court's Order of Reference. No plea shall be accepted by a magistrate without the defendant signing a waiver of the defendant's right to a trial by judge or jury and agreeing to have a magistrate hear the defendant's case. In addition, in all M-1 through M-4 cases where the defendant is not represented by counsel, a waiver of attorney form is also required. No defendant shall be required to have an arraignment before a magistrate and may request the case be reassigned to the duty judge for the same day. The defendant may have one continuance to obtain counsel for arraignment and further continuances only upon approval of the misdemeanor judge or magistrate or the duty judge.

(F) If a plea of not guilty is entered, the case shall be referred to the Court Services Department for a trial date and a prosecutor pretrial if requested by the defendant. The Court Services Department shall note the trial date on the complaint (affidavit) and then notify the prosecutor and complainant, and if they have not yet been notified, defendant and defense counsel, if any.

(G) All decisions and recommended penalties shall be adopted and affirmed by the presiding judge where no objections are filed. A motion to set aside the magistrate's order shall be filed, in writing, within fourteen (14) days after issuance of the order. A motion to set aside the magistrate's order shall be referred to the duty judge for ruling. The court may adopt the magistrate's decision and enter judgment if no written objections are filed or the parties have waived the filing of objections in writing or on the record in open court unless the court determines that there is an error of law or other defect on the face of the magistrate's decision. No sentence recommended by a magistrate shall be enforced until the court has entered judgment.

(B) In those minor misdemeanor cases where defendants do not have a mandatory court appearance and fail to pay the fine and costs or to appear, bench warrants will be issued and the case will be referred to an authorized agency for collection, with the appropriate fee being assessed.

(C) In the case of bailed persons who fail to appear, the court shall issue a bench warrant and the clerk shall set a forfeiture hearing.

Rule 23

CRIMINAL PRETRIAL PROCEEDINGS

(A) A prosecutor's pretrial will be set in any criminal or traffic case after a not guilty plea is entered and the assignment of a judge pursuant to Rule 15(C), unless speedy time is not waived and the defendant is in custody or in cases of a minor misdemeanor or when there is insufficient time to set both a pretrial and trial date within time pursuant to ORC Section 2925.72. Rule 26
TRIAL ASSIGNMENTS

(A) The Court Services Department shall schedule criminal cases within the time limits of Ohio Revised Code Section 2645.71. Any request by a defense attorney or the prosecutor to set a criminal trial date beyond legal time limits must be in writing and must state the reason for the request. A written waiver of time, once made, constitutes a waiver of time for the duration of the whole case, not just until the next available trial. The only valid procedure for withdrawing the written waiver or for objecting to any further continuance is for the defendant to file with the trial court a formal written notice of withdrawal of the waiver or a written objection to further continuances coupled with a trial demand. Such motion shall be ruled upon by the assigned judge. Pending the ruling, the Court Services Department shall set a trial date within legal time limits.

(B) Except in eviction matters, where upon oral motion, a continuance of up to eight (8) days may be granted under Ohio Revised Code Section 1923.08, no party shall be granted a continuance of a trial or hearing date without a written motion from the party or counsel stating the reason for continuance and noting the approval or objection of opposing counsel. Rule 27

JURY TRIALS AND JURY MANAGEMENT PLAN

(A) A criminal defendant charged with other than a minor misdemeanor is entitled to a jury of eight pursuant to Rule 23(A) of the Ohio Rules of Criminal Procedure. In serious offense cases the defendant before commencement of the trial may knowingly, intelligently and voluntarily waive in writing his right to trial by jury. Such waiver may also be made during trial with the approval of the court and the consent of the prosecuting attorney. In petty offense cases, where there is a right of jury trial, the defendant shall be tried by the court unless he demands a jury trial. Such demand must be in writing and filed with the Clerk of Court not less than ten (10) days prior to the date set for trial, or on or before the third day following receipt of notice of the date set for trial, whichever is later. Failure to demand a jury trial as provided in this subdivision, including the failure to use required forms or pay required deposits in the case of a civil jury trial demand, is a complete waiver of the right thereto.

(B) In a civil case either party may demand a trial by jury with time specified by Rule 38 of the Ohio Rules of Civil Procedure by first filing a jury request form and jury costs of \$400.00 with the Clerk of Court. In forcible entry and detainer actions, a demand for trial by jury under Ohio Revised Code Section 1923.10, shall be made by jury request form and the jury cost deposit of \$400.00 shall be deposited with the Clerk of Court no later than three (3) days before the date set for hearing. In any civil jury case, counsel for plaintiff must file a trial brief with the clerk at least twenty (20) days before the date of trial. Copies of the trial brief must be certified to all opposing counsel or parties unrepresented by counsel. Reply briefs must be filed with the Clerk of Court at least ten (10) days before the date of trial with copies certified to all opposing counsel or unrepresented parties. Said costs shall be refunded pursuant to Ohio Revised Code Section 1901.26(A)(7). [Click here for a copy of the Jury Request Form in Word format, or here for a copy of the Jury Request Form in PDF format.](#)

(C) The costs of a jury trial shall include the costs for jurors charged to Toledo Municipal Court by the Lucas County Court of Common Pleas. The party demanding a jury may withdraw a jury demand, with the consent of all parties as required by Rule 38(D) of the Ohio Rules of Civil Procedure, two (2) full business days prior to the scheduled trial date. Such a withdrawal shall be in writing. Defendants who are acquitted in criminal trials will not be charged jury costs. As required by Ohio Revised Code Section 2947.23, in all criminal cases, the judge shall include in a sentence the costs of the prosecution and if a jury has been sworn, the fees of the jurors shall be included in the costs.

(D) Pursuant to Rule 5(B)(2) of the Rules of Superintendence for the Courts of Ohio, the court has adopted and implemented the following jury management plan for the purposes of ensuring the efficient and effective use and management of jury resources. To that end, the Toledo Municipal Court has an agreement with the Lucas County Court of Common Pleas to provide, administer, and manage jury resources.

(1) Opportunity for Service. The opportunity for jury service shall not be denied or limited on the basis of race, national origin, gender, age, religious belief, income, occupation, disability, or any other factor that discriminates against a cognizable group in the jurisdiction. Jury service is an obligation of all qualified citizens. The court shall make reasonable accommodations for those jurors having special needs due to a physical impairment.

(2) Jury Source List. The names of potential jurors shall be drawn from a jury source list compiled from registered voters in Lucas County, Ohio. This list is maintained by the Lucas County Board of Elections. The list shall be representative and as inclusive of the adult

population in the jurisdiction as is feasible. The Lucas County Common Pleas Court will periodically request the Lucas County Board of Elections to review the voter's registration list to ensure the list is representative and inclusive of the adult population in Lucas County. If improvement is needed in the representativeness or inclusiveness of the source list, appropriate corrective action shall be taken. On a quarterly basis, the Lucas County Common Pleas Court will evaluate the demographic profile of jurors reporting for service. This will be used as an indicator of the representativeness and inclusiveness of the jury source list.

(3) Random Selection Procedures. Random selection procedures shall be used throughout the juror selection process pursuant to the agreement with the Lucas County Court of Common Pleas.

(4) Eligibility for Jury Service. All persons shall be eligible for jury service except those who are less than eighteen (18) years of age, are not citizens of the United States, are not residents of the jurisdiction, are not able to communicate in the English language, or have been convicted of a felony and have not had their civil rights restored.

(5) Term of and Availability for Jury Service. The time that persons are called upon to perform jury service and to be available is the shortest period consistent with the needs of justice. Citizens shall be called upon to perform jury service for a term of two (2) days or the completion of one trial, whichever is longer. Persons are not required to maintain a status of availability for jury service for longer than two (2) days.

(6) Exemption, Excuse, and Deferral. Eligible persons who are summoned for jury service may be excused from jury service only if: (a) their ability to receive and evaluate information is so impaired that they are unable to perform their duties as jurors and they are excused for this reason; or (b) they request to be excused because their service would be a continuing hardship to them or to members of the public and they are excused by the Lucas County Common Pleas Court. Deferrals for jury service for reasonably short periods of time may be permitted by that court. Requests for excuses, deferrals, and disqualifications and their disposition are recorded by that court.

(7) Voir Dire. Voir dire examination shall be limited to matters relevant to determining whether to remove a juror for cause and to determine the juror's fairness and impartiality. To reduce the time required for voir dire, basic background information contained on any juror questionnaire regarding panel members shall be made available to counsel in writing for each party on the day on which jury selection is to begin. This background information shall be handled in a manner to ensure privacy. When prospective jurors are initially sworn, the oath shall also indicate that the answers to any jury questionnaire are true. The trial judge may conduct a preliminary voir dire examination. Counsel shall then be permitted to question panel members for a reasonable period of time. The judge shall ensure that the privacy of prospective jurors is reasonably protected and the questioning is consistent with the purposes of the voir dire process. In criminal cases, the voir dire process shall be held on the record. In civil cases, the voir dire process shall be held on the record unless waived by the parties.

(8) Removal from the Jury Panel for Cause. If the judge determines during the voir dire process that any individual is unable or unwilling to hear the particular case at issue fairly and impartially, that individual shall be removed from the panel. Such a determination may be made on motion of counsel or by the judge.

(9) Peremptory Challenges. The exercise of peremptory challenges shall be in accordance with the Ohio Revised Code, Civil Rules, and Criminal Rules.

(10) The responsibility for administration of the jury system is vested exclusively in the judiciary. All procedures concerning jury selection and service shall be governed by Ohio Rules of Court. Responsibility for administering the jury system is vested in the court administrator of the Lucas County Court of Common Pleas acting under the supervision of the administrative judge of the Lucas County Court of Common Pleas.

(11) Notification and Summoning Procedures. The notice summoning a person to jury service shall be done by the Lucas County Court of Common Pleas pursuant to the agreement between Toledo Municipal Court and Lucas County Court of Common Pleas.

(12) Monitoring the Jury System. The Lucas County Court of Common Pleas collects and analyzes information regarding the performance of the jury system on a regular basis in order to evaluate the representativeness and inclusiveness of the jury source list, the effectiveness of qualification and summoning procedures, the responsiveness of individual citizens to jury duty summonses, the efficient use of jurors, and the cost-effectiveness of the jury management system.

(13) Juror Use. The Lucas County Court of Common Pleas will determine the minimally sufficient number of jurors needed to accommodate trial activity and Toledo Municipal Court will coordinate with the court administrator of Lucas County Court of Common Pleas to make effective use of jurors pursuant to the agreement. If there are not enough persons to constitute the required panel, the court may order the panel filled from the bystanders, or from among the citizens from within the territorial jurisdiction of this court, or may order additional jurors from the Jury Commissioner of Lucas County.

(14) Jury Facilities. The court shall provide an adequate and suitable environment for jurors. The jury deliberation rooms shall include space, furnishings, and facilities conducive to reaching a fair verdict. The safety and security of the deliberation rooms shall be ensured. To the extent feasible, juror facilities are arranged to minimize contact between jurors, parties, counsel, and the public.

(15) Juror Compensation. Persons called for jury service shall promptly receive a reasonable fee for their service. Employers are prohibited from discharging, laying off, denying advancement opportunities to, or otherwise penalizing employees who miss work because of jury service.

(16) Juror Orientation and Instruction. Juror orientation is designed to increase prospective jurors' understanding of the judicial system and prepare them to serve competently as jurors. Juror orientation shall be presented in a uniform manner using a combination of written, oral, and audiovisual materials. The Lucas County Common Pleas Court, pursuant to the agreement, shall provide some form of orientation or instructions to persons called for jury service upon initial contact prior to service and upon first appearance at the Common Pleas Court for juror orientation.

The trial judge shall give preliminary instructions to all prospective jurors upon reporting to a courtroom for voir dire.

The trial judge shall give instructions directly following impanelment of the jury to explain the jury's role, the trial procedures including note taking and questioning by jurors, the nature of evidence and its evaluation, the issues to be addressed, and the basic relevant legal principles. Prior to the commencement of deliberations, the trial judge shall instruct the jury on the law, on the appropriate procedures to be followed during deliberations, and on the appropriate method for reporting the results of its deliberations. The trial judge shall within his or her discretion, make available to the jurors such written instructions during deliberations.

Before dismissing a jury at the conclusion of a case, the trial judge shall release jurors from their duty of confidentiality, explain their rights regarding inquiries from counsel or the press, and either advise them that they are discharged from service or specify where they must report.

All communication between the judge and members of the jury panel from the time of reporting to the courtroom for voir dire until dismissal shall be in writing or on the record in open court. Counsel for each party shall be informed of such communication and given the opportunity to be heard.

(17) Jury Size and Unanimity of Verdict. Jury size and unanimity in civil and criminal cases shall conform to existing Ohio law.

(18) Jury Deliberations. Jury deliberations shall take place under conditions and pursuant to procedures to ensure impartiality, secrecy, and to enhance rational decision-making. A jury should not be required to deliberate after a reasonable hour unless the trial judge determines that evening or weekend deliberations would not impose an undue hardship upon the jurors and are required in the interest of justice. Training shall be provided to personnel who escort and assist jurors during deliberation. Counsel and appropriate court personnel shall remain readily available during jury deliberations.

(19) Sequestration of Jurors. A jury shall be sequestered only for good cause, including but not limited to insulating its members from improper information or influences. The trial judge shall have the discretion to sequester a jury on the motion of counsel or on the judge's initiative and shall have the responsibility to oversee the conditions of sequestration. Training shall be provided to personnel who escort and assist jurors during sequestration.

(C) If the defendant has failed to plead or otherwise defend, the court may grant a default judgment in the amount of the prayer if the action is for recovery of money only arising out of damages to personal property and if an affidavit with supporting documentation signed by a party with actual knowledge is filed verifying that the prayer of the complaint reflects a reasonable cost of repairing the property or its diminution in value, whichever is less.

(D) In a forcible entry and detainer action, if the defendant has failed to appear or otherwise defend on the second cause of action, default judgment may be entered upon oral or written motion when judgment is to be based upon a liquidated claim and when the motion is accompanied by an affidavit with supporting documentation signed by a party with actual knowledge verifying that the amount is accurate. If a party makes a request for findings of fact and conclusions of law under Civil Rule 52, the time for filing objections begins to run when the magistrate files a decision including findings of fact and conclusions of law. Any extension must satisfy Civil Rule 53(E)(3).

Following the fourteen (14) day objection period, the magistrate's decision together with any motions and objections submitted by any party will be submitted to the duty judge who will then adopt, reject, or modify the magistrate's decision, hear additional evidence, recommit the matter to the magistrate with instructions, or hear the matter. If the judge orders a new hearing or if there are any post-judgment motions, those matters shall be referred to the judge who ruled on the magistrate's recommendations.

Where cases have been transferred to the regular civil docket, the party causing the transfer shall be required to pay the appropriate filing fee to the clerk within ten (10) days of the granting of the motion. Failure to pay the fee on time will cause the case to be assigned a new hearing date on the small claims docket.

Rule 37

CITIZENS DISPUTE SETTLEMENT PROGRAM

(A) Pursuant to Rule 16 of the Rules of Superintendence for the Courts of Ohio referrals to appropriate and available alternative dispute resolution programs shall be set forth in the local rules. The Citizens Dispute Settlement Program (CDSP) is the Toledo Municipal Court's mediation program and provides citizens living within the court's jurisdiction an alternative means of solving interpersonal disputes. "Mediation" is a non-binding process involving a neutral mediator who acts as a facilitator to assist the parties in crafting a mutually-acceptable resolution for themselves. The Toledo Municipal Court incorporates by reference and adopts through this local rule the provisions of the "Ohio Uniform Mediation Act" under Ohio Revised Code Chapter 2710.

(B) Case Selection. The court has discretion to encourage parties in situations involving disputes with individuals having business, commercial or ongoing relationships such as family members, friends, and neighbors to use mediation. All civil and criminal cases may be referred to mediation as provided by this rule. Before the initial pre-trial conference in a case, counsel shall discuss the appropriateness of mediation in the litigation with their clients and with opposing counsel.

The use of mediation is prohibited in domestic violence cases pursuant to Ohio Revised Code 2919.25, 2919.26, 2919.27, and 3113.31. The mediator shall terminate a mediation session if there is a threat of domestic abuse, violence, or coercion between the parties.

(C) Sources of Referrals. Cases filed in Toledo Municipal Court may be referred to CDSP by the judge or magistrate. Any individual before the court may request a referral to the program by the assigned judge or magistrate. Civil cases may be referred to the civil mediation program by sua sponte judicial order, by the granting of a motion of any party, or by agreement of the parties with the approval of the judge or magistrate.

(D) Agreements reached by the parties are written and signed. The case is disposed of after payment of costs and a judgment entry reflecting the parties' written agreement is signed by a judge. All court orders shall remain in effect. No order is stayed or suspended during the mediation process.

(E) The mediator shall inform the court who attended the mediation, whether the case settled, and whether efforts to settle the case through mediation are being continued or if the case is being returned to the court for further proceedings.

(F) Confidentiality. All mediation communications related to or made during the mediation process are subject to and governed by the Uniform Mediation Act under Ohio Revised Code Section 2710.07. Mediation communications are confidential, and no one shall disclose any of these communications unless all parties and the mediator consent to disclosure. Said communications shall not be used for any purpose, including impeachment of a witness. No mediator may be subpoenaed to testify in any legal proceeding regarding the communications made in connection with the mediation. Specific exceptions to confidentiality are provided by Ohio Revised Code Section 2710.05 and are reviewed by the mediator with the parties prior to mediation. Disputes regarding confidentiality should first be addressed with the mediator where possible.

(G) Mediator Training and Education. A mediator shall meet the qualifications of and comply with all training requirements of the Rules of Superintendence for the Courts of Ohio Section 16.23 and adopted pursuant to Superintendence Rule Section 16.22 governing mediators and mediation.

(H) Referral to Resources. The court may maintain resources for legal or other support services available in the community. The mediator is authorized to provide such resource information; however, such distribution shall not be construed as a recommendation of or referral to such resource. The recipient of that information is charged with the duty to evaluate those resources independently. A mediator shall not provide legal advice.

(I) Attendance. All participation in mediation is voluntary except in certain civil cases. Civil referrals made per Toledo Municipal Housing Court Rule 6 require mandatory participation. The parties may allow, if they wish, their attorneys or other individuals they designate to accompany them and participate in the mediation.

(J) Administrative Dismissal of Criminal Cases. If the parties fail to dismiss a settled case within the latter of sixty (60) days or the time noted in the entry that gave the court notice of the settlement, then the court may dismiss the case administratively. Court costs may be waived at the discretion of the court.

(K) Small claims court cases can also use CDSP's services (Alternative Dispute Resolution Program). Cases are mediated after the filing fee is paid and the case has been placed on the small claims court docket.

(L) Civil Mediation Procedures.

(1) Referrals.

(a) Cases referred to mediation by the court shall be scheduled for mediation within thirty (30) days of referral. If necessary, discovery is not completed, a case may be continued to a future mediation date with a judge's approval.

(b) If a party or attorney objects to the referral of his or her case to mediation, that person shall proffer a written objection for consideration of the assigned judge.

(c) A referral to mediation shall be reversed only under compelling circumstances.

(2) Participation.

(a) Parties and/or parties' representatives with authority to settle a claim, and parties' counsel shall attend the mediation.

(b) If counsel or any necessary party fails to attend or attends and does not meaningfully participate in the process, the court may order sanctions including, but not limited to, attorney fees, other costs, contempt, dismissal, or default judgment.

(c) The court mediator shall promptly notify parties and counsel of a case referral. After coordinating and establishing a mediation date, notification shall be mailed that includes the date and time of mediation as well as a description of the mediation process.

(3) Resolution.

(a) If an agreement is reached through the mediation process, a corresponding settlement/dismissal judgment entry shall be submitted by CDSP or parties' counsel within thirty (30) days for court approval.

(b) CDSP shall provide a status sheet to each courtroom to ensure that the journal entry is submitted timely to the court.

(c) If an agreement is not reached or a necessary party did not appear, the court mediator shall advise the court within twenty-four (24) hours of the scheduled mediation. No other information shall be communicated to the court.

(d) Unresolved cases will be placed on the assigned judge's docket or referred to the Court Services Department for scheduling.
